

About Prospect Point

Located in Jasper, Texas, known far and wide as the "Jewel of the Forest," Prospect Point offers a great location for families and individuals alike.

Each energy efficient apartment home in our community features a full complement of amenities, including 9 foot ceilings, ceiling fans, a full appliance package and private patios/decks with secured storage.

Throughout the community, you'll find special features such as the beautifully furnished clubhouse, complete with business center and a children's resource center. All have been designed to make Prospect Point the perfect residence for the active family or individual.

With four spacious floor plans of one, two or three bedroom units to choose from, we know you'll find one that's perfect for you.

**Prospect Point was designed
with you in mind!**
